Further information

Individual arrangements can be discussed to meet specific circumstances or requirements including storage of equipment.

The day rate is from 8:30am to 5:30pm.

The half day rate is for a maximum of 4 hours with flexibility as to the start and finishing times.

Evening rates apply from 6pm onwards subject to the availability of rooms as follows:

- Main Hall: Sunday to Thursday starting at or after 5:30pm for three hours or more ending by 10:30pm
Friday or Saturday starting at or after 5:30pm ending by midnight
- Other rooms: Starting at or after 5:30pm for three hours or more ending by 10:00pm

NB: Rooms can be booked by the hour, so a previous booking might run to say 6:30pm, so a weekday evening booking in the Main Hall may then start at say 6:45pm to end by 10:30pm (3hrs 45 mins). This would be charged at the evening rate as this is lower than the hourly rate, so will have extra time at no additional cost. It is intended that this flexibility as to start and/or finish time, when the rooms are available, is of benefit and an advantage to hirers.

Hire rates include the fair use of the available tables, chairs, TV screen, Wi-Fi, heating, power, water and lighting.

Bar and Café facilities are available at no additional charge during normal hours.

Flexibility is possible on the time required for set up and clearing away which can be discussed to suit individual circumstances but normally approx. an hour should be allowed for this as part of a booking. If there is no prior booking then we will always try to be flexible on this without further charge where a half day, full day or evening rate is being paid.

All hirings are subject to our Terms & Conditions, available by request or via:

<https://www.meppershallvillagehall.co.uk/index.php/make-a-booking> and,

During the course of the year some events run in the New MVH are open to the local public to attend at no cost e.g. New Years Eve disco or a Karaoke night. It is therefore recommended that hirers make suitable arrangements to ensure that for a private function only their invited guests are allowed access to the room that has been hired, in particular for larger events or where tickets have been issued. This ensures no misunderstandings.
